LEGISLATIVE COUNSEL'S DIGEST

AB 592, as amended, Mark Stone. Juveniles: proof of dependency or wardship.

Existing law provides that a minor may be adjudged a dependent child or a ward of the juvenile court under specified circumstances. Existing law authorizes the court to place a minor who has been removed from the custody of his or her parent or guardian in foster care, among other placements. Existing law provides for the termination of the juvenile court jurisdiction when the minor reaches a specified age.

This bill would authorize the State Department of Social Services to provide to a person who was previously adjudged a dependent or ward of the juvenile court, was placed in foster care, and whose dependency or wardship has been dismissed, upon request by that person, the information included in the proof of dependency or wardship document, as specified, or any information necessary to provide verification that the person was formerly a dependent or ward of the juvenile court and placed in foster care.

This bill would declare that it is to take effect immediately as an urgency statute.
